TRB'S - WRITE 'N SIP

Camaraderie, Creativity, & Crackin' Beers

Whether celebrating the work your team has accomplished in this unprecedented year; building kinship through shared creative experience for your organizations; or just looking for a safe, virtual, and fun way to to blow off steam, our riff on the popular paint-n-sip is the perfect thing!

A pair of Buffoons (chosen from our collective of artists and educators) will guide your group through a professional development experience that uses creativity to center radical self-care, expression, and community connections.

This fun collective writing process will leave each participant with an original piece of writing, a shared experience with their team-mates and colleagues, and a deeper appreciation of and access to their unique creativity both at work and in their personal lives!
